

## **IASB Dues Information**

IASB membership dues are charged annually for the fiscal year July 1 to June 30. Membership dues amounts are typically finalized by the IASB board of directors at the May board meeting and dues invoices are mailed during late May. IASB provided a 5-year breakdown of member dues to the Legislative Oversight Committee before the first hearing, in Exhibit 4. Districts receive a number of services and benefits with their membership; they also gain access to additional programs that they may choose to participate in for a program or administration fee.

As far as how dues are calculated, there is a base charge per district – this year, that base was \$375. After that, there is a cost for each \$50,000 of General Fund budget – for the current year, that cost was \$17.12 per each \$50,000. No district pays more than a certain amount, due to a cap, which was \$10,633 this year.
